SCHEDULE OF RATES AND CHARGES
(continued)

Non-recurring Charges

(d) Membership Fees

Class A Membership - voting	\$100.00
Class B Membership - nonvoting	\$0.00
(applicable to all Brownstown system users at September 1, 1999 without a Class A membership)	

(e) Tapping Fees

Each user at the time he or she is connected with the water distribution system, shall pay a charge to cover the costs of tapping the main, furnishing and laying service pipe, corporation and stop cocks, service and meter box and installing the meter. The charge for a 5/8 inch meter tap shall be \$1,300.00.

The charge for a tap larger than the 5/8 inch meter tap shall be the cost of labor, material, power machinery, transportation and overhead incurred for installing the tap, but shall not be less than the charge for a 5/8 inch meter tap, 1,300.00.

Added to the tap fees charged above shall be the actual cost of all highway and county permits.

SCHEDULE OF RATES AND CHARGES

(continued)

(f) Collection and Deferred Payment Charges

All bills for water service not paid within seventeen (17) days from the due date hereof as stated in such bills shall be subject to the collection or deferred payment charge of ten percent (10%) of that part of the delinquent account which does not exceed \$3.00 plus three percent (3%) of any delinquent amount in excess of \$3.00.

(g) Meter Fees

A trip charge of \$39.00 will be made for final meter readings, initiation of new water service, turning off any existing water meter, or turning on any existing water meter. If meter service is requested for multiple meters, all being located at the same service address, a single trip charge of \$39.00 will be made for all such meters.

(h) Reestablishing Service After Disconnect

If a customer being served as voluntarily requested, its service fee discontinued; or if service has been disconnected for nonpayment by such customer; and the customer thereafter seeks reconnection within 12 months following the date of disconnection; the customer must pay all bills due and payable which shall include the minimum monthly rate times the number of months the service has been discontinued and all other applicable charges due to such disconnection.

(i) Disconnect/Reconnection Charge

When the service is turned off for nonpayment of bill, or whenever for any reason beyond the control of the waterworks a reestablishment of service is required by any one customer, this charge will be made by the waterworks to cover the cost of discontinuance and reestablishment of service during the period of 8:00 a.m. to 3:30 p.m. weekdays (except holidays). The charge, together with any arrears due the waterworks, shall be paid by customers before service will be reestablished.

Disconnect Charge	\$ 60.00
Reconnect Charge	\$ 39.00

SCHEDULE OF RATES AND CHARGES

(continued)

(j) Removal/Reinstall/Lock/Unlock Surcharge

When a meter has been disconnected and unauthorized continued use of the service or meter occurs, the Company may remove or lock the meter. Any removal or locking of a meter shall cause an additional \$60.00 charge to be added to the customer's bill for each instance of removal or locking of the meter. For any reinstallation or unlocking of the meter, the meter fee shall be charged.

(k) Services Outside of Business Hours

A charge of \$30.00 will be assessed in addition to the above service charges for service on Saturday, Sunday, holidays and after 3:30 p.m. or before 8:00 a.m.

(l) Bad Check Processing Charge

There shall be assessed a charge of \$20.00 for any check presented to the company in payment of any charge, fee or portion thereof, and which is returned by the depository bank as noncollectible.
